

## BD/Marketing/Sales Professionals

Sentek Instrument LLC is seeking professionals who can identify business opportunities for our products and generate direct product sales.

### Position Duties

- Identify business opportunities;
- Prepare quotes and close business deals;
- Attend trade shows;
- Update product promotion materials;

### Qualifications

- B.S. or advanced degree in a relevant engineering discipline;
- Prior experience in business BD, marketing or sales for some of our target markets;
- Goal oriented with enthusiasm, optimism, persistence and determination;
- Willing and quick to pick up new knowledge and skills;
- Strong working ethics.

Sentek Instrument LLC is a small yet rapidly growing high-tech company with its focus on developing and manufacturing unique sensors and measurement instruments. They offer single-point or distributed measurement of pressure, temperature, strain and acoustic wave with unmatched performance. Some of our target markets include but are not limited to the perimeter monitoring, aerospace, oil/gas, electric power and structural health monitoring industries.

Sentek operates in the Virginia Tech Corporate Research Center, located in beautiful Blacksburg, Virginia. People at Sentek enjoy not only great opportunities for professional growth in the vibrant work environment but also the high quality college town style of life in Blacksburg with their family. We offer a competitive compensation package including PTO, health insurance and retirement plan. Interested candidates should send your resume to [hr@sentekinstrument.com](mailto:hr@sentekinstrument.com).
